Difficult Times in these Last Days

The Bible states the end-times will be known as "difficult times". The Apostle Paul saw into the future and wrote: *'But realize this, that in the last days difficult times will come. For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, treacherous, reckless, conceited, lovers of pleasure rather than lovers of God'* (II Timothy 3:3:1-5).

Jesus also said the end times would be just like the "days of Noah" (Luke 17:26), a world filled with deception and violence. Genesis 6:11-12 declares, *"Now the earth was corrupt in the sight of God, and the earth was filled with violence"*. Sounds a lot like our world today. Lawlessness and rebellion are rapidly becoming the norm in our daily news.

Another declaration for the end-times concerned people's lack of love for truth. Paul wrote about those who will perish, *"because they did not receive the love of the truth...For this reason God will send upon them a deluding influence so that they will believe what is false,..."* (II Thessalonians 2:10-12). As we look around us, the lack of love for truth is everywhere. It is in our media, government, schools, and the most unlikely place, churches. The appetite of the people drives this deception issue more than anything. Many people won't accept truth because they don't want to be responsible to maintain it. In this regard, the world has become very much like it was in Isaiah's day. He wrote 2500 years ago, *"Justice is turned back, And righteousness stands far away; For truth has stumbled in the street, And uprightness cannot enter. Yes, truth is lacking; And he who turns aside from evil makes himself a prey."*

God has always been about truth. Jesus proclaimed "I am the Way, the Truth, and the Life (John 14:6). He also said, "when He, the Spirit of Truth comes, He will guide you into all truth" (John 16:13). However, as time progresses, we wander farther and farther from God. Lawlessness and deception are both preparing the world for a ruler God calls Antichrist. He is even called the "man of lawlessness" (2 Thessalonians 2:3), and coming with deception (2 Thess 2:10).

The ultimate answer to this problem is on the way. Jesus, who said "I am the Way, the TRUTH,... "will return to rule this world with truth and righteousness (Micah 4) and a love of the truth will sweep across the globe. What a welcome day that will be!

Constant Eroding of Values

Last 2 decades of God-less education blamed for eroding values - OneNewsNow.com - August 27, 2019

- American values are shifting, according to a recent poll. The importance of God, family and country are slipping, while community involvement and tolerance seem to be holding steady. That's a summary of a recent Wall Street Journal/NBC News survey when compared to a similar survey conducted 21 years ago. Among the recent findings: Nearly 80 percent of Baby Boomers and the previous generation think patriotism is very important. Among Millennials and Gen Z, that figure is just north of 40 percent. Only 30 percent of the younger generations think belief in God is very important, while 67 percent of Boomers value religion. Having children was low on the importance scale for Gen Z and Millennials as well...Dr. Alex McFarland of Truth for a New Generation...argues that the reason for the change in values stems from public schools that have kicked God out of the classroom and replaced God with secular humanism.

Comment: This news story indicates the erosion of values in the United States, but in reality, it is taking place all over the world. Truth, a priceless and necessary value is stated in the Bible as a value that will become very compromised in the last days. It states, *"because they did not receive the love of the truth...For this reason God will send upon them a deluding influence so that they will believe what is false,..."* (II Thessalonians 2:10-12). Even the news media is affected. Honesty, a long, time-honored standard for the news media, is now in constant question. "This is one of the reasons that a majority of Americans have lost trust in the media. Instead of applying ethics and standards to their reporting, journalists and left-wing outlets have weaponized the media, using it to attack and harass people with little to no regard for the truth," White House press secretary Stephanie Grisham told Fox News.

It is not so much that Bible prophecy students are surprised that the world is going down this path. It is the acceleration of these eroding values in recent years that has been so surprising! We are headed full speed now on the path that will ultimately end with the return of Jesus to bring peace, righteousness, truth, and justice. In view of this acceleration, it is a good time to be right with Him! If your relationship with Him is in question, see Romans 10:9.

"The Lion of the tribe of Judah, the Root of David, has triumphed. He is able to open the scroll and its seven seals."

Israel

Leviathan natural gas platform on its way to

Israel - www.israelnationalnews.com - July 14, 2019 - The largest energy project in the history of the State of Israel is reaching its final stages of completion and remains on schedule to deliver first commercial gas sales to the Israel domestic market and regional markets before the end of the year. In recent weeks the Leviathan partnership – comprised of Noble Energy, Delek Drilling and Ratio – completed the construction and testing of the production units (topsides) of the Leviathan Platform that will process natural gas from the reservoir and transport it to Israel's national gas pipeline... Israel will also become a significant energy exporter when flow of Leviathan natural gas to Israel's neighbors begins.

Comment: Russia is predicted in Ezekiel 38:12 to come against Israel in the last days to "take a spoil". This natural gas will definitely qualify for that "spoil", especially since Israel will be selling to Russia's largest natural gas customer base, Europe.

PM: Israel has the world's strongest defense and attack capabilities

- www.israelnationalnews.com - January 22, 2019 - Prime Minister Binyamin Netanyahu has welcomed Tuesday's successful test of the Arrow 3 anti-ballistic-missile system. Speaking at the factory that is developing system's missile component, Netanyahu said, "Israel has the strongest defense and attack capabilities in the world. Our enemies should know that Israel's pounding fist will reach all those who want to harm us, and we will settle our scores with them."

Comment: Zechariah 12:10 states that in the end times, the Israel military will have the fierceness of David, a mighty warrior in Israel's history.

Israel's population tops 9 million

- israelnationalnews.com - June 5, 2019 - A total of 9.021 million citizens and legal permanent residents are living in Israel, including 6.697 million Jews, who today make up 74.2% of the total population...Israel's population has grown more than eleven-fold since the country was established in 1948, from 806,000 total to 9.021 million. It is expected to reach 15.2 million by the year 2048 – the one-hundredth anniversary of the establishment of the state. That population growth was fueled in large part by the 3.2 million immigrants who moved to Israel since 1948. Forty-three percent of those immigrants came after 1990. Most (75%) of Israel's Jews today, however, are native-born (Sabras). Approximately 45% of the total world Jewish population now lives in the State of Israel.

Comment: This is an act of God in progress. Concerning the Jewish people, He says in Ezekiel 37:21-22 "Thus says the Lord GOD, "Behold, I will take the sons of Israel from among the nations where they have gone, and I will gather them from every side and bring them into their own land and I will make them one nation in the land, on the mountains of Israel".

Immigration to Israel Rises 21 Percent So Far

This Year - www.forzion.com - September 10th, 2019 - During the first seven months of 2019, 20,506 new immigrants arrived in Israel, according to figures released by the Central Bureau of Statistics, reports the Globes business news outlet. The figure marks a 21% increase over the 15,965 immigrants who came to Israel during the same period of time in 2018, says the report.

60,000th New Immigrant to Israel on 60th Nefesh

Charter Flight - <http://www.israelnationalnews.com> - August 16, 2019 - A total of 242 new olim from North America landed on Tuesday at Ben-Gurion International Airport on Nefesh B'Nefesh's 60th specially chartered EL AL flight, with the 60,000th new immigrant onboard. They came from a variety of backgrounds culturally, demographically, religiously—hailing from 22 US states and two Canadian provinces. The group includes 103 children under age 17; 21 medical professionals; three sets of twins; and a 28-day-old baby, who officially became the youngest to make aliyah this summer through Nefesh B'Nefesh.

Comment: The Lord just keeps bringing them in fulfillment of the many prophecies in His Word. Among them are ones of particular interest that state that He would bring them back to "**their own land**" (Ezekiel 34:13, Ezekiel 36:24), not somebody else's.

The Weather Channel digital under fire for classifying Jerusalem as the 'State of Palestine'

- www.foxnews.com - June 7, 2019 - The digital component of The Weather Channel has come under scrutiny over the notion that Jerusalem has been formally listed as in the "State of Palestine" on the world's most popular and trusted forecasting website. Searches from Google – with results then powered by The Weather Channel site – classify the Holy City as being situated in Palestine, while internal searches appear to vacillate between Jerusalem, Israel, and Jerusalem, State of Palestine. For some Jewish activists, it's nothing short of an outrage.

Comment: The Romans named the area including Israel, Palestina, after the enemy of Israel, the Philistines, around 135 A.D. It was intended to be an insult and should never be used to describe Israel.

Rashida Tlaib says thinking of the Holocaust provides her a 'calming feeling,' shockingly claims

Palestinians created 'safe haven' for Jews

- www.washingtonexaminer.com - May 12, 2019 - Rep. Rashida Tlaib, D-Mich., has made yet another shocking and historically ignorant claim: That thinking about the Holocaust gives her a "calming feeling" because her Palestinian ancestors provided a "safe haven" for Jewish victims of the tragedy.

Comment: Six Million innocent Jews systematically murdered by the Nazis gives a "calming feeling" to a person who holds office in the United States Congress?????

Principal Who Tried to Stay 'Politically Neutral' About Holocaust Is Removed

- www.nytimes.com - July 8, 2019 - A high school principal in Florida has been removed from his position over his refusal to state that the Holocaust was a factual historical event, saying that he had to stay "politically neutral" about the World War II-era genocide of six million Jews. "Not everyone believes the Holocaust happened," the principal, William Latson of Spanish River Community High School in Boca Raton, Fla., wrote in an email exchange with an unidentified parent in April 2018.

Comment: Politically correct nonsense! There is plenty of evidence that the Holocaust was a factual historical event.

Church

Vision Church of Atlanta adds psychic medium to ministerial staff - www.christianpost.com - May 24, 2019 -

The Vision Church of Atlanta, Georgia, a progressive congregation, has added a psychic medium who claims to commune with the dead to their staff. Lakara Foster, who holds a doctorate of ministry from The Interdenominational Theological Center, is now a licensed minister at The Vision Church of Atlanta, Rolling Out reported. She is also the creator and star of the YouTube series "The Gift," which she argues God told her to do. It follows her life as a medium, minister, and spiritual teacher.

Comment: Cal Thomas said recently, "Creeping secularism has affected theological truth to the point where people can believe whatever they want — or nothing at all — and escape correction. Heresy, even apostasy, has infiltrated many churches". "But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons.." (1 Tim 4:1).

Christian persecution close to 'genocide levels,' largely ignored due to 'political correctness': report -

www.foxnews.com - ...The interim findings of a report, which was released last month and commissioned by British Foreign Secretary Jeremy Hunt, shows that anti-Christian hostility is not only spreading geographically but also in severity, in some areas "coming close to meeting the international definition of genocide."...According to Open Doors USA, a watchdog group on Christian persecution, one out of every nine Christians worldwide is being persecuted.

California church draws backlash for sign:

'Bruce Jenner is still a man' - www.foxnews.com - January

11, 2019 - A Northern California church sparked outrage over a sign that read: "Bruce Jenner is still a man. Homosexuality is still sin. The culture may change. The Bible does not." Caitlyn Jenner is formerly known as Bruce and revealed in 2015 that she is transgender and has become a woman. The church, Trinity Bible Presbyterian Church, is located in Lake Shastina, Calif., which is about an hour's drive from the Oregon border. Protesters gathered in front of the church on Sunday to denounce what they called "hate and slander" and to "show our love and support for the LGBT community," according to a Facebook page that organized the event.

Alabama Methodist church to screen 'Arthur' episode with same-sex marriage that state public

TV refused to air - Associated Press - June 3, 2019 - A

Methodist church in Alabama plans to screen the controversial episode of "Arthur" that featured a same-sex marriage that Alabama Public Television refused to air last month. The episode of "Arthur," titled "Mr. Ratburn and the Special Someone," aired nationally on May 13. In it, Arthur attends the wedding of his teacher and his partner. Alabama Public Television (APT) refused to air it then or in the future. APT's director of programming Mike McKenzie defended the decision by saying parents trust that their children can watch the station without supervision...So for those unable to watch the episode on television, the First United Methodist Church in Birmingham decided to throw a wedding party to commemorate the episode. Their "reception" on June 15 will feature a free screening of the episode, with a wedding cake and sparkling apple juice, according to AL.com.

Comment: The Bible predicted a rise in homosexuality in the last days, just "as it was in the days of Lot" (Luke 17:28), to develop just before the return of Jesus. (Story recorded in Genesis 19).

Iowa heartbeat abortion law struck down by state judge - www.catholicnewsagency.com - Jan 23, 2019 - An Iowa

judge struck down Tuesday a law basing an abortion ban on a fetal heartbeat...The 2018 law would have required any women seeking an abortion to undergo an ultrasound to determine whether a fetal heartbeat can be detected..."I am incredibly disappointed in today's court ruling, because I believe that if death is determined when a heart stops beating, then a beating heart indicates life," Iowa Gov. Kim Reynolds said in a statement.

Estimated abortions per year by region (millions):

Region	1990-94	1995-99	2000-04	2005-09	2010-14
Africa	4.6	5.4	6.2	7.0	8.3
Asia	31.5	30.7	30.8	32.7	35.8
Latin America	4.4	4.9	5.4	6.1	6.5
N. America	1.6	1.5	1.4	1.3	1.2
Europe	8.2	7.1	6.0	5.2	4.4

According to the World Health Organization, every year in the world there are an estimated 40-50 million abortions. Source: www.abort73.com/abortion_facts/worldwide_abortion_statistics

Comment: A serious day of reckoning is coming concerning this issue! The Bible states that God hates hands that shed innocent blood (Proverbs 6:17). It would be a wonderful development to see all abortion made illegal and the abortion clinics in the world converted into adoption centers.

Germany admits EU is building a 'united' army -

www.thesun.co.uk - Jan. 11, 2019 - Germany's defense minister has revealed a controversial European joint army is "already taking shape" - thanks to her French allies. Said Ursula von der Leyen. She wrote in German newspaper Handelsblat: "We are making good progress. Despite Brexit, and the controversial debates us Europeans have among ourselves, Europe remains a unique creation, uniting half a billion citizens in the name of freedom and prosperity."

Bastille Day in France showcases European military cooperation - Associated Press - July 14, 2019 -

The flags of 10 countries of the European Intervention Initiative, a joint military pact created last year, led Sunday's military parade down the Champs Elysees avenue in Paris...The European Intervention Initiative is a 10-country coalition of European militaries ready to react to crises. The French-led initiative, which includes Germany, Belgium, Britain, Denmark, Estonia, the Netherlands, Spain, and Portugal, was launched last year, according to Reuters.

Comment: The Bible declares that a European army would be in place in the last days that an individual God calls Antichrist will command (Daniel 11, Revelation 6:2, Revelation 19:19-20). One is taking shape today. According to the Bible, it will be a very powerful fighting force that no earthly army can defeat (Revelation 6:4). The arrogance of this army will be on full display when the Lord Jesus returns with His army in Revelation 19. The Antichrist's army actually assembles to make war against the Lord. However, this army proves to be no match for the Lord and His army. The Antichrist along with his assistant, the "false prophet", will be seized and thrown into the Lake of Fire and the rest of his army will be killed (Revelation 19: 19-21). What an incredible day that is going to be!
