The World Is Coming Unraveled

If you are you getting the sense that things are coming unraveled, you are not alone. The average person is sensing an unprecedented level of insecurity about the world around us. Our daily news is filled with crime, political tensions, scandal, rioting, protests, and moral rot to the point that many have stopped listening to such negative news. Lawlessness and corruption have resulted in a spirit of concern and alarm almost all over the world. Tensions are high!

We were told about these days just before the return of Jesus. They would be just like the "days of Noah". (Matthew 24:37). Those days are described in the Book of Genesis. It is stated in Genesis 6:11-12, "*Now the earth was corrupt in the sight of God, and the earth was filled with violence*". The Bible also speaks of this end-time generation. It states, "*But realize this, that in the last days difficult times will come. For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, unloving, irreconcilable, malicious gossips, without self-control. brutal, haters of good, treacherous, reckless, conceited, lovers of pleasure rather than lovers of God...*" (2 Tim 3:1-5). This sounds a lot like our world today.

Deception has also become commonplace in the world today. The news media more and more cannot be trusted to report truth. The Bible addresses this for the end times. It states, "*Because they receive not the love of the truth...God will send them strong delusion*" (2 Thessalonians 2:10-12). Who would have ever dreamed that the news media cannot be trusted?

Again about these days, Jesus said these conditions would increase like "birth pangs". This is exactly what we are seeing in our world today. That these conditions have developed has not been so much of a surprise, but the acceleration of them! These conditions are preparing the world for a ruler God calls Antichrist. He is even called the "man of lawlessness" (2 Thessalonians 2:3), and coming with deception (2 Thess 2:10). The world about us is in strong delusion.

What does all this mean? It means that the return of Jesus draws near. In that promise, there is hope. Antichrist's short rule will be over. Deception and lawlessness will cease. Jesus will set up His long-awaited Kingdom that executes peace, righteousness, and justice (Isaiah 65, Amos 8, Micah 4). Jesus said, "when you see these things beginning to take place...your redemption is drawing near" (Luke 21:28). The whole world is groaning and travailing waiting for this redemption (Roman.s 8:22). Those who love Him can't wait!

What Is Happening In America!

It seems the gates of Hell have been opened up against the United States! The moral absolutes that have been the glue holding American society together, are being challenged. Consider the following article:

58 Percent of Americans Believe Moral Truth 'Is Up to Each Individual,' New Poll Finds - www.christianheadlines.com - June 4, 2020 - Nearly six in ten Americans believe "identifying moral truth is up to each individual," while barely four in ten say God is the basis of truth, according to a new survey. The findings are part of the American Worldview Inventory and were released by George Barna, director of research at the cultural research center at Arizona Christian University. A total of 58 percent of U.S. adults agreed that "identifying moral truth is up to each individual; there are no moral absolutes that apply to everyone, all the time," according to the survey. Surprisingly, 48 percent of adults identified as born-again Christians agreed with the statement. The survey, released last month, was based on interviews with 2,000 U.S. adults in January. "We're living in an America increasingly unmoored from its founding in biblical truth," said Len Munsil, president of Arizona Christian University.

This is what is happening. We have been embracing liberal views in our public educational system, allowing teachers to challenge the basic views of American life for too many years now. College has been even worse. Unsuspecting parents have paid expensive tuitions while liberal professors have targeted conservative values of the family and challenging our young about those values. Some of those views challenged are: the definition of marriage, the purpose of government, the value of honesty, the value of morality, and the list goes on.

The moral absolutes that were instilled in our founding fathers have held American society together for some 240 years and have held dictatorial governments at bay, but those values are collapsing. Without those values in force, America becomes just another brick in the wall. Since America is not mentioned specifically in Bible prophecy, it is probably fitting to believe we will become "just another brick in the wall".

The main power base in the end time is in Europe and that power base will be worldwide (Revelation 13). By then, it does not appear in Scripture that there are any left who oppose it.

We are drawing ever closer to those days!

"The Lion of the tribe of Judah, the Root of David, has triumphed. He is able to open the scroll and its seven seals."

Israel News

PA to strengthen China relations to prevent Israel's West Bank annexation - www.jpost.com - June 1, 2020 - The Palestinian Authority is working to strengthen relations with China as part of an effort to prevent Israel from applying sovereignty to parts of the West Bank... "We want to see China play a bigger role in the region," a senior PA official told The Jerusalem Post... "China has always been supportive of the Palestinians."

Comment: Revelation 16 calls for the "Kings of the East" to send troops to battle in the Valley of Armageddon. It is not a surprise then to see China becoming more involved in Israel.

Russia sends second batch of fighter jets to Syria - Reuters - June 4, 2020 - Russia flew a batch of advanced MiG-29 fighter jets to Syria, Moscow's embassy in Damascus said, with Syrian pilots already using the planes to conduct missions within the country's airspace. President Vladimir Putin last week ordered Russia's foreign and defense ministries to hold talks with its close ally, Syria, to obtain more facilities and maritime access there, in addition to the two military bases it has already.

Comment: It is no surprise also to see Russia more involved in the region. Ezekiel 38 predicts a day when Russia will send its army to the northern part of Israel where that army, along with allies, will die from a miraculous judgment from God.

Israel is the safest place for a Jew to be now' - Israelnationalnews.com - May 08, 2020 - One of Israel's leading rabbinical authorities Rabbi Benjamin Elyashiv has announced that 'Israel is the safest place for a Jew to be now.' The rabbi reached this conclusion after utilization of the "Goral HaGra" or "Divine Lottery" procedure where the Torah is opened randomly and a verse from that page is randomly selected. The verse happened to be "See, I have set the land before you; come and possess the land which the Lord swore to your forefathers, to Abraham, Isaac, and to Jacob, to give them and their descendants after them." (Deuteronomy 1:8)

1,500 remaining Moroccan Jews could soon be making aliyah Tuesday - Israelnationalnews.com - June 23, 2020 - The death of Morocco's major financial supporter from the coronavirus has imperiled the remaining 1,500 Jews in that country, sixteen of whom have died from Covid-19. Israel is gearing up towards the possible aliyah (immigration to Israel) of that community, most of whom live in Casablanca, with smaller numbers in Rabat, Agadir, Marrakesh, and Fez.

Comment: Many Scriptures call for the Jewish people to come back to Israel in the last days. God is to assemble them there before He sends them their Messiah, Jesus (Ezekiel 36).

US study: Israel 1 of the 8 strongest countries in the world - <http://www.israelnationalnews.com> - December 02, 2019 - New research by the University of Pennsylvania places Israel among the eight most powerful states in the world for the second straight time. The analysis was done according to in-depth examinations of economic, foreign and defense data and encompassed more than 20,000 people from four different regions of the world who were asked to divide countries into five different categories: international, military, political, economic and leadership. The first places were occupied by the United States, Russia and China, as expected. Israel passed Saudi Arabia and South Korea.

Comment: The least of the Israeli Defense Force will be like David in the end times (Zechariah 12:8). David was a feared warrior.

The Church

Episcopal priest: Abortion is a blessing - www.onenewsnow.com - November 8, 2019 - A pro-life church leader says the new head of the National Abortion Federation misuses scripture to claim God's support of abortion. The pro-abortion organization has named Katherine Ragsdale (pictured), a lesbian Episcopal priest who married a woman in 2011 and previously served as president of Episcopal Divinity School in Cambridge, Massachusetts, as its new president and CEO. Father Frank Pavone of Priests for Life tells OneNewsNow appointing her to the new position is an insult to people of faith, as Ragsdale has maintained throughout her career that abortion is a blessing and that its providers are "modern-day saints" and "heroes." "When it is dressed up with the language and the vestments literally of religious belief, of scripture, of liturgy ... this is a particular affront to the gospel of Jesus Christ and all those who believe in it," Pavone contends.

Comment: First, qualifications for a pastor is to be the husband of one wife. The "pastor" in this article is not a husband. Second, a pastor especially cannot be in a life-style the Bible condemns. 1 Cor 6:9-10 states, "Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals, nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers, will inherit the kingdom of God." Third, God hates hands that shed innocent blood (Proverbs 6:17).

Danish Bible Society Removes References to Israel From Translation - www.faithwire.com - April 21, 2020 - The Danish Bible society has come under fire for deleting dozens of references to Israel from its translation of the Hebrew Bible and the New Testament. The omissions occurred in a project called "Bible 2020" which was published under the society's supervision earlier this year. The deletions were spotted by Jan Frost, a Bible enthusiast and pro-Israel supporter from Denmark, who counted 59 omissions out of 60 references to Israel in the Greek origin for New Testament texts. For example, Psalm 121:4 reads: "he who watches over Israel will neither slumber nor sleep." However, in the society's translation, the word Israel is replaced with "us."

Comment: This is a continuation of attempting to remove Jewishness from the Bible and Christianity. It is known as replacement theology, the belief that the Church has replaced Israel and has become the "New Israel". Those that adhere to it ignore the pronouns "we" and "they" in the Book of Romans as discussing Israel and the Church. They also ignore Romans 11 that starts, "God has not rejected His people, has He"? Romans 11:25-26 says, "a partial hardening has happened to Israel UNTIL the fullness of the Gentiles has come in; and so all Israel will be saved..." God hasn't replaced and has a glorious future for Israel in the family of faith.

Why millennials are really leaving religion - www.religionnews.com - December 14, 2019 - The number of Americans ages 18-29 who have no religious affiliation has nearly quadrupled in the last 30 years... Four in 10 younger millennials (18-29) are nones, which is four times what it was in the 1980s. In fact, the fastest-growing religion in America is ... no religion at all.

Comment: For the time will come when they will not endure sound doctrine;.. will turn away their ears from the truth and will turn aside to myths. (2 Tim 4:3-4). This is what is happening.

Trust in mainstream media on the decline: 'The news industry is in chaos' - www.foxnews.com - September 18, 2019

In the wake of the latest controversial New York Times story, many are saying the mainstream media is in big trouble. "The View" co-host Meghan McCain on Tuesday confronted a pair of New York Times reporters who blamed Gray Lady editors for botching a now-revised story accusing Supreme Court Justice Brett Kavanaugh of sexual misconduct. "You guys left out a key detail," McCain said, referring to the paper leaving out the tidbit that the alleged victim doesn't remember the incident. "I think this is sort of Ground Zero for why so many people mistrust the media." ...A recent Gallup poll surveyed the confidence adults had in newspapers and television news -- and the results were staggering.

According to the poll, 48 percent of people have either "very little" or no confidence in television news, compared to only 18 percent in 1993. Confidence in newspapers has also dipped, as 39 percent said they had "very little" or no confidence in newspapers in 2019 compared to only 17 percent as recently as 2003.

DePauw University professor Jeffrey McCall told Fox News that "decline in trust of the media is troubling" because a functioning republic requires citizens who are informed and have sufficient, accurate news on which to base self-governance decisions.

"Today, the media has lost sight of its obligation and instead too often fills the news hole with sensational, poorly sourced and/or agenda-driven content," McCall said.

Comment: Although this is a somewhat dated article, it reveals one of the biggest problems we have in the world. A media that cannot be trusted to reveal truth leaves us all vulnerable to lies, misinformation, and propaganda. We cannot have reliable elections if our Media take the liberty to spread lies about the candidates.

Samaritan's Purse gets tax bill after discharging last patient at NYC field hospital - www.christianpost.com - May 09, 2020 - Gov. Andrew Cuomo is asking Samaritan's Purse to pay state taxes after the Christian humanitarian organization discharged its last patient this week — one of the over 300 COVID-19 patients it treated at a temporary hospital in New York City's Central Park while facing a backlash due to its statement of faith...New York City Council Speaker Corey Johnson had recently demanded that the Christian charity leave the city over its biblical views on homosexuality. "It is time for Samaritan's Purse to leave NYC. This group, led by the notoriously bigoted, hate-spewing Franklin Graham, came at a time when our city couldn't in good conscience turn away any offer of help. That time has passed," Johnson wrote on Twitter last Saturday. "Their continued presence here is an affront to our values of inclusion, and is painful for all New Yorkers who care deeply about the LGBTQ community."

Comment: A classic example of biting the hand that feeds you!

Denver Post Columnist Fired After Arguing There Are Two Sexes - www.freebeacon.com - January 20, 2020 - A Denver Post columnist (Jon Caldara) says he was fired after disputing the idea that there are more than two sexes...Caldara criticized an Associated Press directive saying that sex and gender are not binary. "There are only two sexes, identified by an XX or XY chromosome."

Comment: This comes as a result of not believing that God created the sexes, both male and female. There are no others.

ACLU Sues President Trump for Protecting Unborn Children from Abortion - www.lifenews.com - May 28, 2020 - ...On Wednesday, the American Civil Liberties Union filed a lawsuit against the Trump administration, challenging long-standing U.S. Food and Drug Administration regulations on the abortion drug mifepristone, NPR reports. The drug is dangerous and can be deadly to the mother as well as her unborn baby, but abortion activists are pushing the FDA to abandon its common-sense restrictions. "Groups that claim to have women's health care at heart are suing the FDA to overturn reasonable, lifesaving precautions related to chemical abortion," said Susan B. Anthony List president Marjorie Dannenfelser. "Not only does the abortion drug destroy the life of the unborn child, this chemical coathanger poses a serious risk of potentially life-threatening complications." The drug is dangerous and can be deadly to the mother as well as her unborn baby, but abortion activists are pushing the FDA to abandon its common-sense restrictions.

Comment: This continues to be a curse and an offense to God. The mindset of those willing to take the lives of the innocent, unborn is mind boggling!

How Many Wars Are Going on in the World Right Now? - www.reference.com - May 10, 2020- There are 10 official wars and 8 active military conflicts recognized by the United States. There are also other violent conflicts involving 64 countries and 576 militias and separatist groups. The four ongoing conflicts with the highest number of casualties (at least 10,000 deaths per year) are the Syrian Civil War, the civil war in South Sudan, the war in Afghanistan, and the Mexican Drug War. Those with more than 1,000 deaths include the Yemeni Civil War, the Somali Civil War, the Kurdish-Turkish conflict, conflicts in Nigeria, the war in Darfur, the Boko Haram insurgency, the Libyan crisis, the Sinai insurgency, the South Kordofan conflict. and the South Sudanese Civil War. Beyond this is the ever complex war with terrorists throughout the world like ISIL and Al-Qaeda.

Comment: Jesus said there would be wars and rumors of wars in the days just before His return (Matthew 24). More lives have been lost to war in the 20th and 21st centuries, than in all other centuries combined. I think Jesus knew what He was talking about!

Netflix Releases 'Gay Jesus' Christmas Special - www.breitbart.com - 12 Dec 2019 - Netflix has just released a "gay Jesus" Christmas special called The First Temptation of Christ. The Brazilian comedy group Porta dos Fundos (which literally translates to "back door") appears to have a real hang-up about our Lord and Christianity in general. Last December the group released The Last Hangover on Netflix, a movie that blends Christ's Last Supper with his disciples and The Hangover into a night of drunken debauchery where Jesus disappears. This year, in this new Christmas special, Jesus turns 30 and brings his gay boyfriend home to meet Mary and Joseph.

Comment: Absolute blasphemy!!!

Comment: So much for the "peaceful religion" thing!

Kottlowksi's team is calling for 14-18 tropical storms during this upcoming season, which runs from June 1 through Nov. 30... Kottlowksi said. "On a normal year, we have around 12 storms, six hurricanes and roughly three major hurricanes." The 2019 season marked the fourth consecutive year of above-average activity in the basin and was tied with 1969 for the fourth most-active hurricane season on record.

Comment: Amos 4 makes it plain that God will use disasters (to include rain and drought) to discipline a nation in need of repentance to motivate the nation to turn back to Him.
